Educational Planting Trip

April 28-June 26, 2020 / Tues-Fri 9:45 AM-1:30 PM

This package includes a workshop on how a seed grows into a flowering plant. Each child and paid chaperone will have a hands-on experience planting a seedling and will also have the opportunity to take it back to the classroom to watch it blossom into a flower. Teachers can continue incorporating the process into their curriculum. Trip also includes admission to our animal farm where kids can visit and feed our many animals that live here year round including our camels, zebra, antelope and many other furry friends! (This part of the trip is self-guided).

Admission: \$14.00 per Child, per Adult & per Sibling

Cowpoke Trip

April 28-August 28, 2020 / Tues-Fri 10:00 AM-1:30 PM
